DENISE COTE, District Judge:

On October 31, 2022, the plaintiffs filed a letter explaining the basis for their belief that diversity of citizenship exists. The letter does not adequately allege the citizenship of defendant Smirk's Ltd. Accordingly, it is hereby

ORDERED that the parties shall be prepared to address the citizenship of Smirk's Ltd. at the November 4 conference. Any party asserting that diversity exists shall be prepared to explain whether the members of Smirk's Ltd. are individuals, corporations, partnerships, limited liability companies, or

other entities, and to specify the citizenship of each member.
